County of Santa Barbara Office of the Public Defender

EXPUNGEMENT INFORMATION SHEET

You are eligible for expungement relief when:

- You are not currently on probation or parole in ANY jurisdiction (i.e. another county or state)
- You complied with all terms and conditions of probation and paid all fines/fees/restitution owed
- You are seeking expungement of convictions for which you were granted probation (IF you went to state prison for a felony conviction, contact our office for more information on your options)
- If you suffered any probation violations, have not yet paid all fines/fees/restitution, or have other questions about your eligibility, please contact our office for assistance

What "expungement" means / how this relief may help you:

- Under Penal Code 1203.4, individuals in California may apply to have their convictions "expunged" - this means that when an employer or other entity performs a background check, any convictions on your record will appear as "CASE DISMISSED" instead of "CONVICTED"
- Obtaining this relief MAY allow you to apply for certain jobs, housing, licensing programs and government benefits that you may not otherwise not be eligible for
- PLEASE NOTE: the status of an expunged case as "CASE DISMISSED" will continue to appear on your background check for 7 years from the date of conviction - it will not be removed from your record

What we need from you to begin the expungement process:

- A completed intake form
- A financial eligibility form

Where you can submit your information:

- You can drop off any completed intake and/or financial forms
 - Santa Maria: 312-P East Cook Street
 - Santa Barbara: 1100 Anacapa Street
 - Lompoc: 115 Civic Center Plaza
- You can email them to Amanda Paison: apaison@countyofsb.org

What happens next:

- Once the petition is filed with the court, we will contact you

If you have any questions during the process or about other options in addition to expungement, please contact the office.
